

2019-2021 WGM/WGP Special Project

Encouraging
PAWS ON INVOLVEMENT
in our chapters
and
communities

Each term, the Worthy Grand Matron and Worthy Grand Patron select their special project to receive their energy, support, and efforts to spread awareness and raise funds for the project.

For 2019-2021, WGM Karan and WGP Bruce have named **PAWS UP** as their special project focusing their efforts and fundraising on expanding the Star Dogs of Nebraska.

They have encouraged sharing the presence and impact of our service and therapy dogs in our communities all across Nebraska. Fundraising will continue through the end of their term generating revenue for service and therapy dogs.

PAWS UP began 2019 by placing therapy dogs in the Masonic Eastern Star Home for Children in Fremont and our Nebraska Masonic Home in Plattsmouth. With Charlie and Louie actively engaged in their roles as therapy dogs and sharing awareness across our chapters and the visibility of Opal (Masonic Home in Plattsmouth) and new addition Koda (Children's Home) the story of the value of our dogs has spread.

Visit NEBRASKA STAR DOGS facebook page and as the dogs return to being able to be out in the community you can share their successes.

PAWS UP will conclude with the end of this term, but the dogs will go on! Funds raised will continue to bless our members and those in need of the love of service and therapy dogs.
